Go over to the Palace of Thorns and get Lillymon and Vegiemon to join you. You can find him in the Server Cemetery in the Desert. Big thanks to Vinny Erickson-Holtze and LivingHell for their contributions. You can also find Fugamon at the Power plant after you do the story bit there. When he joins he stands right near the entrance to the Business District. This will lower the bridge near Rapidmon and you can cross it to get a ring from SkullGreymon, he can be found in the Graveyard through the Corpseway. He improves you meat fields so you can get 8 meat a day. Answer Bony Resort. He needs you to find a Cheerful Apple, a Digistalk and a Salty Fruit. The next is a Speed Chip, which I am still looking for because I used all mine. When you finally beat Rosemon, return to Leomon and he will join your city. After the fusion I was able to beat him and he came back to the city after. Sender - This is where you can pay Bits to fly to an area you have visited before. Well if you get Zudomon you get Gumdramon as well. He is involved in the decorating of the Square. As soon as you leave the city he'll challenge you to a fight. After you expand the city into the much larger city and have around 15 Prosperity you can encounter Greymon in the Noise Storm area of the Server Desert. Monzaemon has it but don't worry, he's nearby. That being said, he has low defense and only around 2500 HP. You will spot Angemon in the area immediately after finishing the story quest here. During the main story, you will be tasked with going to Dead End Town and he will also join the city. Pick it up and give it to Antylamon to get him to join your city. You can find him on the Old Cableway map. This takes you to the building where Veemon is and lets you upgrade building where Veemon is and lets you upgrade building. Upgrading a building where Veemon is and lets you upgrade building where Veemon is and lets you upgrade building. Digimon's favorite food is. Leonmon will be in the Colosseum. Same may be available a little earlier. Speak to WereGarurumon in Bony Drive to start this quest. When you get to certain trainer levels he will give you chips to help power up your Digimon. He will ask you to take down a powerful Digimon on the Vast Plateau map. However, there are also a number of new ones that are only available after completing the game. I used Frostcut Mushroom x2 and Meat x1. Upgrading increases the number of fields you can have, which means more meat or plants each day. Restaurant - You can buy special meals to feed your Digimon here. Fishing - This lets you fish in the city. I caught mine at night but I don't know if you need to catch them at night or not. MOD Ship 3.0 You must have already beaten BanchoLeomon. Once you've recruited Biyomon to the city and progress through to Chapter 2, you can find Etemon on Vast Plateau. When you enter you will see Agumon near the start. You can walk to the Central district, or press options and select "Central-Builder". It's a tough fight so bring boosters. Research Training Hall - This is where you raise your digimon's stats through training. He will boost your partners' mood if you speak with him at night. Fugamon appears again and will offer valuable items in exchange for Conductor Lemons. You need to find Togemon who can be found here. Upgrading increases the amount you get. Once he has joined the city Darkdramon spawns on MOD Ship 3.0 down at the end of the dock covered in Seadramons. Take him down and he'll join your city, offering you a fly to destination service for a fee. Haven't managed to get there as my last set of Digimon have died. Return to the Power plant and give it to him to have him join your town. He will give you the grease and join the city. When you return he will be at the top near the giant Lemon Field and he will be talking about electricity. Simply head into the Celeb Green Room and speak with Monzaemon to get the piece back. Head to Lillymon and she will give you a quest at the start of the Palace of Thorns to take, remove Vegiemon so they can eat the vegetables. You can reach a total of 200 Prosperity if you want to progress through the end-game. These two are found in the Corpseway at the bottom of Bony Drive. You can get the Good Fishing Rod from Vikemon when you complete his challenge. Everyone of them is a fight minus LadyDevimon and you can just tell her she can run a shop in town. After you accept the quest, go here and defeat Vegiemon to have him join you. If he's not there make sure you've already recruited Kuwagamon and return to the city, then come back to the Power Plant. He then explodes and you're tasked with finding the parts of his body. Beat him in a battle and he joins the city. This area opens during the story when you prepare for the final battle. He is high level and very strong, you might need to Fuse to beat him. Head to the area on the map above. All you have to do is beat him within a minute and he will join the city. The Drainage path entrance can be found on Pathfork Island, in one of the large funnels coming out of the ground. This one is easy if you are strong enough. Return to Lillymon and she will also join you in town. If you speak to him at the training area at night he will give you special food that helps with training area at night he will give you special food that helps with training area at night he will give you special food that helps with training area at night he will give you special food that helps with training area at night he will give you special food that helps with training area at night he will give you special food that helps with training area at night he will give you special food that helps with training area at night he will give you special food that helps with training area at night he will give you special food that helps with training area at night he will give you special food that helps with training area at night he will give you special food that helps with training area at night he will give you special food that helps with training area at night he will give you special food that helps with training area at night he will give you special food that helps with training area at night he will give you special food that helps with training area at night he will give you special food that helps with training area at night he will give you special food that helps with training area at night he will give you special food that helps with training area at night he will give you special food that helps with training area at night he will give you special food that helps with training area at night he will give you special food that helps with training area at night he will give you special food that helps with training area at night helps with training area. ask you to collect ingredients to help him lose five grams. Patamon is the first Digimon you can recruit to join Floatia during Chapter 1. After you rescue Shine Greymon, return to Leomon for the next part of this mission. DemiDevimon rewards you with items for trading on the Stock Market. Head to Guts Waste, to the location shown below and interact with the item. These two are also inside the sewers. Offer to help with Veemon, then go back to talk to Veemon, the go bac him easily. Speak with him and he'll ask you to find a block he's missing. Once you take him down he joins the city and opens up DNA Digivolution. Vegiemon and Lillymon can both be sent out to collect food from the garden. At the end of Chapter 2 when you're tasked with finding Datamon, another Power Plant opens. Numemon sits by the toilet in the city and will give you a free portable toilet every day. You'll find the Magma Lozenge there. 1. He asks you to find a battery, which can be found at the Power Plant. When you give Palmon the items he will join the city. Speak to him once a day and he will give your Digimon a +5 Discipline bonus. You'll have to find Birdramon to advance. He will challenge you to a fight where you start at 1/5 HP and 1/5 MP. Seraphimon joins the Restaurant and sells some incredible food items. These look just like the normal Digistalk mushrooms except they are green. This Digimon World: Next Order Digivolution Conditions Guide covers everything you need to know about reaching those conditions as well as information pertaining to the individual conditions for every Digimon. It is also possible for him to ask you to lose three grams, but if he does just reload the save and try again for the five grams. Come back later, after you've expanded the city into the bigger city and have around 15 Prosperity. Then return it to MarineAngemon. At some point during Chapter 2 Meicoomon will send you a Digimail to the EX Scenarios folder. Kabuterimon is no push over. Upgrading reduces the number of materials needed to research. Check out this article to find out How To Earn Quick Money In Digimon World: Next Order. Speak to Biyomon at the location above and it asks if you know anyone that can help teach him how to fly. These two join the Arena, basically a really boring casino. Head to the location marked by the player icon in the image above. Buy for a low price, then sell it back when the price is higher. There is a possible item worth 10,000 Bits though, so it's not all bad. You get attacked by a group of Piddomon. When you speak with him he will try to sell you a Recovery Disk. You need to progress through the main story quests until you have to head to the volcano area. Talk to him and he will join you if you already have Garurumon in your city. I used a tent, slept nearby and tried the next day. After it they both join and go to coliseum. Cherubmon can be found inside the Icy Hall. Rosemon will be in the Museum area of the Entertainment district. Togemon will sell battle items in the item shop. Upgrading BasicsNow that you can upgrade, let's go over how it works. He asks you to take down an evil force. Let me know if you have any questions! Digimon World: Next Order features tons of different Digimon that you can find and recruit to join your city, each raising the Prosperity levels of Floatia. Posted Feb 2, 2017 by captaincamper in Digimon World Next Order Guides Digimon World Next Order Digimon World Next Order Digimon World Next Order Digimon World Next Order Digimon W and retrieve some Cyber Grease. Do that and return to Boltmon to have him join your city. You can barter for a cheaper price but he will not join the city unless you pay the full price of 100 Bits. You can still speak to him without triggering the Vegiemon, if you are careful. After you recruit Veemon you can then go talk to Togemon again and recruit her as well. Stock Market - Lets you buy and sell special items. Look for the! marker and you'll find Hackmon here. Garurumon will give you a random amount of bits each day and Wizardmon will teleport you to a random location based on the day for free. You can find him in Dead End Town. During the early stages of the game you'll find a banana and a couple of resource mining points in To Hallowed Hall map, right near the entrance to Noise Storm. Speak with them, not sure the choices matter. I've handed in 10+ items so far and nothing, will update with more information. Upgrading increases the amount and type of storage. Tuereiemon will help hunt for Treasure and Myostimon will let you look at any old cards you have found. Speak with MarineAngemon and Terriermon have put together? Veemon and Togemon had a battle Togemon told him he was missing something in his attack so he ran off. Districts and Buildings - The different districts and buildings you can get for the city. You need to select the option "I guess" when he asks you to find it, so you get the Digimail. Once you defeat him, he will join the city. Agricultural Fields - This is where you can grow meat and plants. Leopardmon will be in the Dimensional district. You can get Phoenixmon, Sakuyamon, LadyDevimon, and Okuwamon. They are spread all over the game, check below for exact locations. Getting to Zudomon is a bit of a pain unless you have some strong Digimon. Beat ToyAgumon in the fight and they will return to their original spot. You can't recruit him yet, check out the Frost Cathedral area of this guide for more information. He will ask you to find various pirate treasures and sell them to him. There are four Digimon you can recruit in Infinite Cauldron. When you first appear you see Justicmon and he runs away, then you meet and fight him at Control Island, he says he will fight you again, you will get a Digimail off justicemon saying to meet him at Control Island again, he appears saying he didn't send the mail, IceFugamon is the culprit, you prove it was him by clicking the correct option, then Justicemon comes to Floatia. The first page is in the Celeb Red Room. Entertainment Treasure Hunter - You can send Garudamon out to get items for you. He wants you to find Turuiemon in the Volcano and get his item back. I had to use a couple of 150 moves on him but he went down quick enough. Eventually ClearAgumon will run off. Return to Tsukaimon and he will tell you there are more pages. Simply beat Devimon in a battle (it's a tough one) and he joins the city. He will go to the Dojo in town and can helpful tell you there are more pages. you find out what you need to get a Digimon to evolve into something. He will ask you to gather 5 Green Digistalks. Speak with her and she'll ask you to deliver a gift to Dianamon in Absolute Zero. They will be in the restaurant and offer different food dishes. However, you can obtain the ingredients required before speaking with him. When he joins your city he will add a bonus to a specific stat at the gym every day. Upgrading increases the types of meals they sell. \ Palmon is at the location shown above. Zudomon will be in the building shop in town, he goes out to find you stone and liquid. You need to bring 20 Best Meats to Tyrannomon, you can find him inside the cave near Gaomon. You can find them scattered along the path in the Forest Path map area. You don't want to mess with the Digimon in this area much so you can exit the map and re-enter to have the Green Digistalks respawn. Upgrading this reduces the amount of materials you need for upgrades. Head over to the Forest Path and about halfway through you will see a pick up that has rainbow shinies coming up from it, that is the Royal Digijelly. Upgrading reduces treatment costs and increases the types of medicine on sell. Lab - This is where you can research chips to improve your Digimon's stats. Return to the Desert entrance and you can recruit Veemon by fighting him. Posted Feb 5, 2017 by captaincamper in Digimon World Next Order Guides Digimon World: Next Order Digivolution Conditions Guide Digimon World Next Order Digivolution mechanic is both complex and rewarding, which can seem a little overwhelming at times. Head to the Tower Road (which is the other side of the oasis area on the Server Cemetery map and speak with Gargomon. Veemon is right at the entrance to the Server Desert if you enter from the Vast Plateau, you can't miss him. You need to complete a quest for Wizardmon before Garurumon will join the city. He opens the Arena. The main city in Digimon World Next Order is Floatia. Talk to him and he will ask you to find Garurumon for him. You have to defeat him in battle and then you can harvest the items behind him. 3. When Greymon joins the city he can make and repair tents at the item shop. Where to find Salty Fruit - The Salty Fruit can be found on the Forest Path map. After speaking with him check the Cabin itself for a pirate treasure in the corner. Upgrading increases the number of items sold. when you give item to dianamon, she will ask you to deliver a letter to minervamon when you give 2nd gift to minervamon, she will ask you to deliver a letter to minervamon when you give 2nd gift to minervamon, she will ask you to deliver a letter to minervamon, she will ask you to deliver a letter to minervamon when you give 2nd gift to minervamon when you fight. You will need to have Myotismon in your city before Youkomon will talk to you. She will sell food items in your city next to Meramon. He's a high level and hits like a truck. You'll have to fight him when you turn in the items, after that he joins the city. You have to run back and forth until Youkomon tells you to talk to Myotismon in your city. It was during the day when I found it. You need to unlock the Ohguino Wastelands to recruit Agumon to the city. He's level 48 and very tough to kill. Answer Four Horns. If you don't get the city after that, continue through the story until you recruit Taomon. Speak with Gomamon and he'll ask you to get a picture with MegaSeadramon. I haven't tried it but the three grams one should work with 1x DigiStalk, 1x Meat and 1x Frostcut Mushroom. Another Digimon you have to fight in the Volcano. When I talked to him he said something about having no money coming off of me and I have just under 200k, I will come back with more later and see if this is how you trigger him. The chalice belongs to Vikemon, who can be found inside the Pirates Cabin on MOD Ship 3.0. Head there and take him down to get DemiDevimon and Vikemon to join. You might remember Gumdramon from the Logic Volcano entrance, he shows you around. Offer to help find Veemon and Togemon will be grateful. Speak to Biyomon after Birdramon joins the city and she will join also. When he joins the city he will let you trade Wood and Liquid materials. You don't have to fight him, just grab the picture and he joins the city, you need at least 15 prosperity.

Digimon Fusion, known in Japan as Digimon Xros Wars (デジモンクロスウォーズ, Dejimon Kurosu Wōzu), is the sixth series of the anime series of the anime series of the Digimon TV Asahi on July 6, 2010.
