What is the best month to travel to dubai. What is the best month to go to dubai. Which month is best to visit dubai.

The best time to visit Dubai is in September and April, when it is sunny but not too hot. While much of the Northern Hemisphere is wrapped up for the winter during this period, the city continues to offer bright skies and balmy temperatures. The temperatures fly from May to August, so the hotel prices drop and the crowds disperse. This is a great time to visit if you enjoy extreme heat, or plan to spend most of your time within the air-conditioned shopping malls. Ramadan is usually quieter, no matter when it falls through the year. This may take a good time to go, but vacations may affect certain activities due to restrictions, and you may not eat, drink or smoke in public. We suggest avoiding Eid al Fitr, the three-day festival that marks the end of Ramadan, because it can get very agitated in the city. The best time to go to Dubai is during the winter months (November to March) when the temperature is manageable and tourists can explore Dubai. The city offers individuals a great experience, but it is important that you choose the best time to visit Dubai from India for your trip. Winter comes with opportunities for so many outdoor activities and experiences in the city. Overall, the summer months, especially the month of Ramadan, is the worst time to visit Dubai. If a person visits Dubai during the summer, the options are less than you can do is to shop and enjoy a desert safari at night. Dubai's climate during the summer season is extremely dry with little rainfall. Prices for flights and hotels are low during April to October, i.e. the low season for tourism in Dubai. While, the best season to visit Dubai is during the winter for a traveler to have the opportunity to explore the city and spend the holidays well. Let's get closer to Dubai's time based on months to decide onlt is a day to travel Dubai: November - Marâ ° (17th C to 30th C) with the winning arrival, which is the best season to for Dubai, here is a chance for visitors to enjoy a stroll along the Persian Gulf's white sands. As a huge flock of tourists visit Dubai to indulge in sunbathing during this time of the year, it is advised to make hotel reservation a few months prior to the visit in order to avail the best accommodation. This is also the best time to observe some of the major festivals of Dubai, like: Al Marmoom Heritage Festival, Dubai International Film Festival, and Dubai Shopping Festival. April - October (25Â°AC to 42Â°AC) As the temperature rises to quite a high degree, a visit to Dubai during the summer season should be avoided. With the hot and humid weather, one cannot enjoy any outdoor activity or laze along the beaches. Though, people can easily get an accommodation of their choice at the cheapest rates. On a visit to Dubai during this time, people can observe festivals, like: Dubai Summer Surprises and Ramadan. However, one should bear in mind that the nightlife is quieter and business hours are really short during the period of Ramadan, hence one may not have an enticing experience.
